Dear Parent

**Instructions for Year 11 during the summer exam period**

Students have to be in school during exam time but are allowed half a day revision at home prior to an exam. This does not include Friday afternoon revision for a Monday exam.

When students don't have an exam, they should go to normal lessons. Teaching staff will be there to supervise revision. If they have already sat the exam for that subject, they will revise for other subjects.

Students will not be expected to come in after their final exam.

Students not on the Flamingo Land trip on Friday 13<sup>th</sup> May should come in to school as normal.

I hope this clarifies the arrangements for the summer exam period.

Yours sincerely

Christopher Goodwin

Headteacher
